Time	Info From	Info To	Details
			in regards to his ability to move to the NOC
1303	IC	Logistics	-Fawaz don't expect Logistics to move but can get passes to access to maintain communication
1304	Logistic	IC	we have cut down on breakfast to pastries, donuts, muffins no hot sandwiches. Orders are based on what they think the numbers will be and staffing needs to be monitored and food dissemination so that everyone gets fed that reports from Franklin and OPP places orders as well - are we ordering food or per diem. IC IC the fact that we will be together will assist w/ staffing numbers.
1308	Logistic	IC	Anything else specifically you need from Logistics? Negative for now
1310	IT	IC	Do you need a dedicated printer? yes. Might have to be a plugin to printer. IT -> how many phones? does SCC have a must answer line? Staffing has a must answer line
1312	Logistics	Fawaz	Can likely give back some rentals probably 8. back. 8-10 back.
1325	Arrows	IC	Are the partners there for staffing @ NOC? IC yes will be much easier.
1327	IC	Logistics	Any issues w/ breakfast? Not today.
1328			Message to be sent to EY (Linda) in regards to feeding SCC planning & staffing @ NOC.
1331			Logistics group will be meeting & cut expenditures while keeping them warm dry & fed. IC w/ better staffing numbers will help.

Time	Info From	Info To	Details
1333	Logistics Fawaz	IC	Need to assess the need to feed 12 @ NCRCC after 2100 hrs? Will go over that w/ Event Command. If this is arranged they need to find someone from outside the core to deliver it to NCRCC. Need to know what we are responsible for.
1343	Lucas	IC	NCRCC Lucas advising yes they want the food delivered @ about 2100 hrs - if they arrive someone will go down and pick it up
1349	Logistics Fawaz	IC	Proposal when Oikos delivers the hot dinner @ 5 add 12 bag lunches marked for 2100 meal? IC go forward w/ that plan
1352	Robertson		Oikos advise that Remo do pickup everyday so have no problem 12 lunches added w/ writing on it. just need site number. Lucas is finding out site number and will complete arrangement.
1400	Robertson		arrangements have been made. OPP are making their own arrangements will be giving them contacts. will still be giving them lunch/dinner let SIC for NCC
1427			as @ NCC
1452			
1503	IC	OTPC/ison	Is there staffing from OTP available to be with my staffing? OTP there are people w/ staffing working w/ planning need Reps from Kanata station to be here. IC yes that is where the numbers are wrong. OTP going to plan to meet every morning for plans goals strategies for the day as then we will have solid numbers.

			plan to be presented so it can be staffed.
			Egress plan originally for George Sussex Kent/Wellington as well
1744			Nethercott has identified our resource needs in depth for our QRT's and sustaining them for 24hrs - \$378 how do we arrange housing
1745	IC	Nethercott	- does this include the 20-30 from RCMP
1748	Nethercott	IC	This number is only QRT's does not include the static positions taken by OPP
1759	IC	Nethercott	numbers are not consistent but for example yesterday had 15 from OPP but that could change tomorrow.
			Nethercott need those numbers so that we can make the right ask. And what do we need to move to enhanced plan.
			Nethercott - our scope was maintenance so that we can get people back to their positions i.e. CID, training.
			For maintenance just need consistent numbers from OPP and RCMP to make the right ask.
1752	Bernier	IC	request to carson based on what is going on and groups refusing to move south of Wellington going to start taking positive action Wednesday.
			PT's in action tomorrow to get the message out do a media release later in the day. Have concepts of egress if they choose to leave that incorporate Sessy Rella

			and Kent/Wellington. This needs to be sent to Paula to print. If any plans are formed by integrated planning please send to Lynn or Arnaud so it can be printed and Bernier can approve it. IC do we not need a tow plan and so we can manage it. Yes tows need to be ready for Wednesday morning as arrests and tows will happen. PLT, Pou, and Traffic will be all a part of this plan and investigators and tows made available by David Springer - to action all the vehicles outside of Wellington. IC for the plan will be David Springer not a specific plan for traffic or tow it is an integrated plan. If any vehicle off Wellington is to be towed as illegally parked if there are issues w/ refusal investigators will be involved w/ arrests. Lynn & Arnaud has emailed the plans to TC Palmer. If there are any questions as to the breakdown of the plan call ASAP.
1805			briefing Carson Brady OPP we have not made a staffing plan for this - need a POU to be here to be involved in the planning before we want this for Wednesday & we will have to man it tonight and ramp up mobilization for 36 hour deployment - if this is the direction of the Commander we need to know what we

Time	Info From	Info To	Details
1811	IC	Bernier	need to staff the plan what plans need to be enacted tonight advising OPP request - you plan tonight REDACTED - for conference call w/ Bernier.
1812			Bernier briefing the room notable to email all of the plan to everyone but the plan so far - agreement w/ mayor - has moved up to Wellington many of of Wellington refusing to move - so starting with.
			1st - PLT messaging Tuesday Media release - vehicles illegally parked and criminally illegally parked
			- Wednesday out side in from potential situation & Egin
			PLT will continue to be mucked if they refuse then vehicle will be towed & arrest made - layered arrest, evidence, security and towing - Towing has been arranged by OPP large number of traffic units w/ OTS and 30 tows including heavy tows.
			OPP questions - Is there intelligence that informed the decision? Negative it is as a result of the failure to abide by agreement - hopefully will inspire others to leave.
			OPP concerns - PLT's 3 day push all of the current impacts: Do you have all of your partners contributing to plan? Yes PLT's investigators and legal.
			Springer - have a quick dial Feeney and Noel assist w/ OFD

			what are the considerations in holding the area? This was discussed. OPP is this a hard law out of town? Going to jail if they refuse to move.
		York	OPP What POU resources are you looking for? Will have to call tonight to arrange. POU Flanagan one more section to have to full stations w/ OPS. Is this enough? Yes for vehicles there now. What if this action creates a discord? Have to traffic units and OPP and OPS SME SPT's POU to speak to OPP Skinner after briefing to firm up needs. POU still arranging all the traffic needs.
			OPP thinking beyond Wednesday if there is a reaction or anything positive action for more vehicles Springer can move this to Thursday if everyone feels more comfortable in the planning. And have units available that know the city well. Bernier - this plan is in alignment with others in value for long term Springer - PPS is available as a POU if required - On messaging Wednesday can have a message and a commitment going into the weekend.
			Bernier - POU strategy is requiring a lot of resources for the weekend and a legal element.
			OPP has consulted legal and have spoken to them at length with no problems foreseen

			OPP bodies we already have deployed will not change w/ this action
		York	OPP Skinner need to know what teams we need moving forward
			Bernier. Concerned if we don't get some positive action we are going to get some issues with uniforms sustaining locking this down.
			PLT's have plans moving forward
			OPP-communications moving forward w/ messaging needs to be integrated
			Bernier-my media has messaging w/ PLT to be going out Kavanagh in the loop
1845			Injection is City of Ottawa while briefing complete
1845		York	OPP concerned that command was not integrated - said he was hours devising the plan but not here.
			OPP have no problem writing a plan but it is an OPS plan
			Is the plan for Wellington still viable for with the actioning of Nicholas -
			If they want to take some action in mitigating the Wellington plan is tactically a good plan
			OPP the numbers to dismantle Windsor are the same as here and this is a much more difficult dynamic.
			Skinner pivoting back to an old plan of testing the water
			OPP-since we hold the strings for resourcing we need a brutal honest assessment of what we need w/ mood risks considered make the call for more resources
